WELL DRILLER PLATES FOR RIGS ORDER FORM

Idaho Water Well Driller Licensing Rules (Rule 37.03.10.050.01.d) requires the driller to "Have the license number displayed in a conspicuous place on the drill rig using a metal plate provided by the Department or other permanent marking approved by the director."

Please complete this form if you wish to replace a plate or add plates to recently acquired equipment and submit with the appropriate fee to the address shown below. Make check or money order out to: Idaho Department of Water Resources. Please do not send cash.

Groundwater Protection Section Idaho Department of Water Resources 322 E. Front St; PO Box 83720 Boise ID 83720

DESCRIPTION OF PLATES

<u>Standard Plate</u>: This driller's plate (metal) has red lettering on a white reflective background and measures 4 inches by 12 inches. The fee for the standard plate will be \$11.00 per plate.

Optional Plate: This plate will be the same as the Standard Plate, except it has room to the right of the license number for a blue decal of the driller's name or abbreviation. The decal can be up to three lines, with a maximum of 17 letters per line, including spaces. The name can appear in larger lettering and fewer lines if a name is not as long as the 17 letters. The fee for the optional plate will be \$20.00 per plate.
